*"Building a Community of God's People
AND
Giving Hope to Future Haitian Generations"*

Dear Brothers and Sisters in Christ,

Thank you so much for all the gifts you have so generously given.. It is very much appreciated and needed for the survivors. The gift you gave will show those in Haiti God's love for them.

Our short term goal is to take care of 600 people that we have chosen. We would like to feed them one time a week and will need supplies to be able to accomplish feeding that many people.

We are collecting over the next two months crutches, non perishable food, medicine, school supplies, clothes and shoes to send a container to Haiti.

Our long term goal will be to establish a Christian Academy for orphans that would teach them from Kindergarten through college.

Please, help us feed with oil of love and compassion the fire of hope that is burning right now in Haiti.

Thank you again for the gifts you have given. Pray for the people of Haiti and for what God may want you to give in the future to those less fortunate than you.

In Christ,

Pastor Jean Valdemar
